About the WSLA Third Annual Ice Out 2020

What is the ICE-OUT contest?

Plummeting Paul will be dressed to look like ice fisherman. He will be sitting on the ice on a chair keeping watch of the timer that is attached to 40lb block. In the ICE-OUT contest, people make their best guess as to when Plummeting Paul sees the block drop through the ice that will trigger a timing mechanism declaring the winner.

Who can play?

You must be at least 18 years of age to participate in the contest

Where will ICE-OUT Mannequin be located?

Plummeting Paul will make himself comfortable on Lake Monomonac Pickeral Point Cove

Is it easy to play?

Yes, it is. For each entry, you predict the Month, Day, Hour and Minute that you think the ice will melt enough for Plummeting Paul to fall through the ice and trigger the timing mechanism.

When does the contest begin and end?

Plummeting Paul will be placed on the ice the beginning of January (when the cove is frozen enough to support him).

How will the winner be determined?

The winner will be determined by the timer when the ice melts enough so that Plummeting Paul falls through the ice and trips the timer. The winner/s will be those whose guesses are the closest to the exact Month, Date, Hour and Minute of the winning time (either before or after). THE PRIZE MONEY WILL BE SPLIT: 50% TO THE WINNER AND 50% TO WSLA IF THERE ARE TIES, WINNERS WILL SHARE THEIR PORTION EVENLY

TO QUALIFY :

YOUR GUESS MUST INCLUDE: MONTH * DAY * HOUR * AM OR PM EXAMPLE: MARCH 15TH AT 8:44 AM.
